

SOUND GENIUS

LUDWIG VAN BEETHOVEN
1770 - 1827

Composed his first Piano Concerto at the age of 25—his first Symphony 5 years later—then came 27 years of symphonic masterpieces. Pamphonic designed their first sound system in 1930—then came 30 years of research culminating in their development of Natural Sound—personified in the 'REFLECTOGRAPH'. Quality design, matched to the world's great music, is 'SOUND GENIUS'.
